**Developers Invited to Forum on Town Center Development**

Developers have been invited to share their ideas with the Mountlake Terrace City Council on how to encourage development that will result in a vibrant, walkable town center. The forum will be held August 14 at 7:00 pm at the Mountlake Terrace Library located at 23300 58<sup>th</sup> Avenue W.

Councilmembers are interested in what developers think because town center development cannot happen without them. Invited developers can provide their suggestions and comments at the forum. The public is welcome to attend and listen.

While developers are the focus of the August 14 forum, the City plans seven other meetings for the general community. The meetings will help shape ideas for a town center plan.

For information on the developers forum or other community meetings, contact [towncenterplan@ci.mlt.wa.us](mailto:towncenterplan@ci.mlt.wa.us) or (425) 744-6266. Information is also posted on the City's website at [www.cityofmlt.com](http://www.cityofmlt.com) under "Breaking News".
