

# Sound Transit Link Light Rail Open House

Wednesday, January 23, 2019

## COMMENT SHEET

Comments and concerns.

Thank you for this meeting! Bless that project managers, <sup>action</sup>

1. Making clear at future mtgs what this meeting is about. Any anything outside of the light rail plans take up with whoever (parking, busing). I was here to learn about the plans. Not busing!

2. How will 220th be impacted by construction during this project? How will 220th and 64th/222nd be impacted if melody Hill becomes a <sup>future</sup> light rail stop?

Thank you!

If you would like the city to include you on the notification list for the Sound Transit Link Light Rail project land use, please provide your name and email address. Thank you.
