**FOR IMMEDIATE RELEASE:**

September 8, 2020

### **Fall Park Clean Up is Cancelled Due to COVID-19**

MOUNTLAKE TERRACE — With Snohomish County improving yet still in Phase 2 under the Governor’s Stay Home, Stay Healthy Order, the City of Mountlake Terrace is cancelling its Fall Park Clean Up scheduled for Saturday, September 12.

The event is held in conjunction with National Day of Service and focuses on a special project area such as the Recreation Pavilion or park project. “Out of an abundance of caution, we feel it’s best to cancel this year’s event,” stated Recreation and Parks Director Jeff Betz. “We do not want to encourage unnecessary gathering at this time.”
