Parking within the Building*	Gross Square Feet of Use	Percent of of Gross Building Area	Development Cost per square foot	Percent of Total Building Cost
Under-Structure Parking: (Residential Use Only, including bicycle parking)			\$	
Under-Structure Parking (Commercial Use Only including bicycle parking for commercial use)			\$	
TOTAL PARKING			\$	

Note: To be deemed eligible for property tax exemption under RCE 84.14.020 and Chapter 3.95 MTMC, the ratio of residential value to the total project value of the completed development must meet the requirements of Chapter 84.14 RCW.

3. Other Cost Calculations:

- a. Total cost of building construction (excludes exterior work, landscape, civil) \$ _____
- b. Average development cost per residential unit = \$ _____ / Unit
- c. Average cost per net residential square foot = \$ _____ / Square Foot
- d. Average cost per net commercial square foot = \$ _____ / Square Foot

Owner Certification:

I certify that the information, as provided on or with this application form, is true and correct.

- Yes No The multifamily residential housing within this project has been built substantially as described in the site plans, floor plans, and elevations on file with the City.
- Yes No The project has been built to condominium standards, as defined by _____.
- Yes No The construction of the project has been completed within three years from the date the City approved the Conditional Certificate of Acceptance of Tax Exemption, or within any time period extension thereof granted by the City.
- Yes No The project, as constructed, qualifies for the requested exemption.

As the property owner of record, or applicant authorized to act as owner's agent, I am verifying that the information I am providing in this application is complete and accurate to the best of my knowledge. Additionally, I am aware of the potential tax liability involved when the property ceases to be eligible for the incentive provided under the Property Tax Abatement Program, as adopted by the City under Chapter 3.95 MTMC and as provided by Chapter 84.14 of the Revised Code of Washington.
