Stormwater managers from the cities of Mountlake Terrace, Lake Forest Park, and Edmonds have been meeting periodically since 2008 and plan to meet throughout the term of the permit to assist in the implementation of a regional watershed plan. The city's web site allows for general citizen input to the SWMP through a comment link on the Storm Water Division web page. The public is also invited to participate in the ongoing work to implement a Strategic Action Plan for the Lake Ballinger/McAleeer Creek Watershed. Mountlake Terrace is a member and participant on the Lake Ballinger/McAleeer Creek Watershed Forum. Public comment was solicited for the Stormwater Code update process in 2010.
